1. We would like to confirm that as UNH has a federal rate agreement, we can use our negotiated rates on the MTDC basis.

Answer: Yes.

2. Form #2 reads, "For purposes of determining any possible conflict of interest, all offerors, must disclose if any FDDC employee, appointed official, or if any of its agencies is also an owner, corporate officer, agency, or employee of their business." The University of New Hampshire is large and we would not necessarily know if faculty/staff were engaged with FDDC.
